Notes:

1. The TBBC verified caseload includes all persons verified as living in the camps and eligible for rations, registered or not (including students). It excludes all permanently or temporarily out of camp. Mae La figures exclude significant numbers on camp lists but yet to be verified. Rations are provided only to those personally attending distributions and actual feeding figures are typically 4% lower than the caseload.

2. UNHCR figure includes registered, pending PAB and some students but excludes new arrivals.

3. Includes Kayan.
