Notes:

- The Verified caseload includes all persons verified as living in the camps and eligible for rations, registered or not (including students). It excludes all previously verified residents now permanently out of camp.
- Rations are provided only to those personally attending distributions. The Feeding Figure is the actual number of beneficiaries recorded as having collected food rations this month.
- MOI/UNHCR figures are registered refugees. Most new arrivals since 2005 are not registered. UNHCR records an additional 248 people who have been submitted to the Provincial Admission Boards (PABs).
- Includes Kayan.
- Population figures for IDP camps are derived from camp committees on a monthly or quarterly basis depending on accessibility.
- From TBBC Population Database of verified caseload; IDP camps excluded.
