## Notes:

1. The verified caseload includes all persons, registered or not, confirmed living in camp & eligible for rations.
2. The TBC Assisted Population is the number of beneficiaries who collected rations during the previous month. Rations are only provided to those who are physically present at distributions.
3. Access and assistance authorised at the District level.
4. IDP camp population figures are derived from camp committees on a monthly or quarterly basis. The population of 3,046 people from Halockhani Mon IDP camp is removed in this month since TBC food support to this camp has been stopped in 2016.
