4. Delivery:

- Delivery destination, delivery period and frequency, and quantities to be delivered, are summarized on the **Delivery Schedule** attached to the Invitation to Tender. The delivery quantities stated in the Delivery Schedule are best estimates based on projected camp population during the consumption period. The exact quantities to be delivered and the exact delivery date(s) are subject to confirmation from the TBC Field Office in the form of an official Purchase Order being faxed directly to the **Seller** once a month, at least 10 days prior to the proposed delivery date.
- The **Buyer** will obtain permission from the Thai Government to deliver the goods to the camp; the **Seller** must present a copy of it to the Local Government Authorities as required. Prior to delivery, it is the **Seller's** responsibility to ensure, i.e. by checking with TBC Field Office responsible and/or contacting the Local Government Authorities, that it receives all necessary permission(s) required for each delivery.
- The **Seller** must use the **Delivery Receipt (DR)**, which is the standard form provided by TBC, as the **Seller's** proof of delivery. The Delivery Receipt (DR) must be applied per one delivery truck and signed by the Camp Committee Staff which has been authorised to accept receipt of the goods. The **Buyer** accepts no liability for any supplies delivered without a properly completed signatory receipt of the Delivery Receipt (DR).
- The **Seller** must deliver supplies to the camp(s) within the delivery period stated in the Purchase Order. The Buyer accepts no liability for any supplies delivered to camp(s) before the delivery dates on the Purchase Order, irrespective of whether the authorised Camp Committee Staff signs the Delivery Receipt (DR).
- The **Seller**, in advance, should inform the TBC Field Office of the expected date and time of delivery. Upon completion of the delivery the **Seller** should inform the TBC Field Office of the exact time of delivery and confirm the quantities delivered, and any problems encountered. If delivery is outside the periods specified in the Purchase Orders, the contract can be suspended at the **Buyer's** discretion.
- On arrival of deliver trucks into the camp(s), the supplies must be off-loaded at the camp warehouses or areas specified by the authorised Camp Committee staff. The truck drivers must not rush the off-loading process and must allow time for the Camp Committee staff to do proper off-loading, counting, and checking of supplies, and to sign Delivery Receipt (DR). The **Buyer** accepts no liability for any supplies off-loaded outside the areas specified by the Camp Committee staff.
- The delivery of supplies to the camp(s) should be on week day during day-time, between 8 a.m. to 5 p.m., to allow the camp staff sufficient time and daylight to do proper off-loading, counting, and checking of the supplies. The delivery trucks which arrive at night or outside the above timing must wait until the morning for the camp(s) to off-load supplies. The Seller and/or its drivers must not pressure the camp staff to off-load supplies outside the above specified time.
- **Warning:** The roads to some refugee camps (*Mae Hong Son – Ban Mai Nai Soi and Ban Mae Surin, Mae La Oon, Mae Ra Ma Luang; Tak - Nu Po camp; and Kanchanaburi - Don Yang camp*) are usually damaged during the rainy season, and 4-wheel-drive vehicles are usually required to deliver supplies to these camps. Suppliers may need to pay for the road repairs in order to send in supplies according to schedule. TBC will not pay for road repairs or compensate the **Seller** if weather and road conditions are adverse.

5. Code of Conduct and Child Protection Policy:

The Inspection Company will also tally the number of sacks (or drums/tins) loaded on each truck (or off-loaded into camp warehouses), weigh random sacks (or drums/tins), and check if the packaging meets the specifications stated in this Invitation to Tender. The **Buyer** reserves the right to inform or not to inform the **Seller** about the date, time, and place of inspection.
- If the consignment in whole or in part be found substandard or of defective quality, or under-quantity (to be determined by shortage on total / average net weight) by the Inspection Company, the **Buyer** reserves the right to reject the delivery and expect immediate replacement (for substandard quality), or require the **Seller** to send additional quantity to cover up for the shortage (if under-quantity).
- If consignments in whole or in part be found to be marginally substandard or of a minor defective quality, and the **Seller** elects to address these marginal failures by, for example, re-mixing, re-sieving etc., the **Seller** will be required to arrange a re-test of the product, at the **Seller's** expense, utilising the **Buyer's** preferred Inspection Company. No delivery of any part of the consignment may occur until a successful re-test has been conducted
- On arrival in the camp sacks (or drums/tins) will be unloaded by Camp Committee Representatives, and will be weighed and counted by Camp Committee and/or TBC Field Staff. If consignments in whole or in part on arrival or during distribution at final destination be found substandard or under-quantity (to be determined by shortage on total / average net weight), the Buyer reserves the right to reject the delivery and expect immediate replacement (for substandard quality), or require the Seller to send additional quantity to cover up for the shortage (if under-quantity).
- For some product items (for example: charcoal, dried chillies, fishpaste, and iodized salt), samples will be taken during the inspection or from camp(s) after arrival of supplies and sent for laboratory analysis. The laboratory test will normally take time (up to 2 to 3 weeks after the inspection or receiving samples) to receive the results. If the results of any tests indicate a substandard quality after receipt and distribution of supplies, the contract shall be declared unfilled at the **Buyer's** discretion and the **Buyer** reserves the right to penalise the **Seller** (See **Part 11** below for details).

7. Terms of payment:

- The following documentation is necessary before payments will be made to the **Seller**:
